Dear Contract Treated Water Customer:

As mentioned in our last communication to you, the automatic annual rate adjustment (for all of our water and/or sewer customers) based on the change in the Regional Consumer Price Index (CPI) for Houston-Galveston-Brazoria, Tx will be 3.3% for this year. On March 11, 2009, the Houston City Council approved adding 1.79% for population growth to this year's rate adjustment, bringing the total rate increase for April 1, 2009 to 5.09%.

If you have any questions, please contact me at 713-837-0282.

Sincerely,

Susan Bandy
