Call 281-427-4792

The RUOK? Program is a FREE service that establishes a prearranged time for participants to receive a regular phone call inquiring about their welfare. During the call participants are asked “Are You OK?” If they answer “yes” they may simply hang up and continue with their day. If a concern is expressed, the volunteer caller will determine the nature of the concern and if some sort of response is necessary. Unanswered calls or busy signals are called back. If there is still no response, the volunteer caller may request that an officer be dispatched to the location for a safety
