OFS Solid Waste Services, Inc. "OFS", is the trash provider here in Cloverleaf. The normal pick up is Saturday and Wednesdays. This Year the Christmas Holiday falls on Wednesday. For this **Christmas Holiday December 25, 2013 there will be NO Trash Service** as the landfill area where the trash is disposed of is closed on Christmas Day. **Please Do NOT put out trash on that Day.** On Saturday, December 28, 2013 "OFS" will pick up both trash pickup days. New Year's Day also falls on Wednesday and **"OFS" WILL Pick Up on New Year's Day.** This is for household trash only. Household garbage does NOT include remodeling or garage sales waste. All household trash should be bagged or in cans, not exceeding 40 gallons or 40 pounds. Trash must be at curbside by 7:00 a.m. For other types of heavy trash pickup service please contact "OFS" directly for a price and payment arrangements. Any questions or problems concerning trash service please contact "OFS" directly at 281-457-2705.

The best method of payment for your water bill is automatic bank draft, check, or money order, at no cost to the customer. An authorization form will need to be signed for automatic bank draft along with a voided check to activate this service. Your monthly bill will still be mailed at the same time, and the bill will reflect "this amount will be drafted from your account by due date". By doing the automatic bank draft it is always paid by the due date and no penalties will be added. The District does accept Master Card and Visa cards however; a service fee is added for using credit cards. **The District now has available the ONLINE payment system for a nominal fee. You will need to log in to the website and set up an account to the online payments.**

Please report any street light outages to our office with the closest address of the outage and the 6 digit number listed on the light pole would be helpful. The lights have a 6 foot arm extending out over the streets.
