Secretary*

*Ronald Holder  
Asst. Secretary*

*Maria  
Koukoulakis  
Director*

The District has always accepted cash for water payments. However, effective April 1, 2012 **we can no longer accept cash for water payments.** The best method of payment is automatic bank draft, check, or money order, and all of these are at no cost to the customer. An authorization form will need to be signed for automatic bank draft along with a voided check to activate this service. Your monthly bill will still be mailed at the same time, and the bill will reflect "this amount will be drafted from your account by due date". By doing the automatic bank draft it is always paid by the due date and no penalties will be added. The District does accept Master Card and Visa cards however, a service fee is added for using credit cards.

**OFS Solid Waste Services, Inc.**, is the trash provider here in Cloverleaf. This is for household waste only. Household garbage doesn't include remodeling or garage sales waste. All household trash should be bagged or in cans, not exceeding 40 gallons or 40 pounds. Trash must be at curbside by 7 a.m. on Wednesdays and Saturdays. For other types of heavy trash pickup service please contact OFS directly for a price and payment arrangements. Any questions or problems concerning trash service pick up contact OFS at 281-457-2705. This year the July 4th Holiday will fall on a Wednesday, there will be **NO interruption** in trash pickup as OFS will be working on that day.

Please report any street light outages to our office with the street address of the outage and the 6 digit number listed on the light pole. The lights have a 6 foot arm extending out over the streets.

Water Tax and Payment information please access <http://www.bli-tax.com> or call 713- 932-9011 Monday thru Thursday 8-5.

Visit our website at [www.harriscountywcid36.com](http://www.harriscountywcid36.com) for links to all our water conservation programs, Water Smart, Water IQ and WaterSense. Also, please remember to monitor your water bill for unusually high use. Your bill and water meter are tools that can help you discover leaks which will save you money. **"Water, Use It Wisely"!**
